

Undergraduate EARTH Honors

Date: _____ UO Email: _____

Applicant Name: _____ UO ID: - -

Expected Term of Graduation: _____

To graduate with Honors in Earth Sciences, the following requirements must be met:

1. Completion of all EARTH major degree requirements.
2. A minimum GPA of 3.5 in all UO courses.
3. Completion of this form, with committee members' signatures, and return to Straub Hall 161 or email asu4ug@uoregon.edu.
4. At least one credit in EARTH 403 Thesis, earned during the term in which thesis is submitted and presented to the committee. (Note: up to six credits combined of EARTH 401 Research and/or 403 Thesis may be applied toward major degree electives)
5. Completion of honors thesis and oral presentation under supervision of a committee comprised of three members: (1) EARTH faculty member (chair); (2) a UO faculty member (may be EARTH of other department); and (3) a faculty member or EARTH PhD student or a community professional with expertise in related field.
6. Signed document attesting all requirements have been met and honors commitment has been fulfilled. Must be on file in EARTH Office (161 Straub Hall) prior to graduation.
