- **Accelerated 26-Month Hybrid Format:** Combines online coursework, weekly live sessions, 8 intensive in-person lab immersions, and 31 weeks of clinical education
- **No GRE Required:** Tufts uses a holistic application review
- **Application Fee Waiver:** email dpt.admissions@tufts.edu

Why Become a PT Aide at ATI?

A PT Aide role at ATI gives undergraduates hands-on experience in one of our 850+ clinics across 24 states while preparing for graduate programs. As a PT Aide, you will work alongside licensed clinicians to help patients move better every day. More than a job, this role is a first step toward a meaningful career in physical therapy.

What You Will Gain

- ✓ Work as a PT Aide (Tech) in a real outpatient clinical environment
- ✓ Earn required shadowing and observation hours for DPT and healthcare programs
- ✓ Gain hands on exposure to physical therapy treatments and patient care
- ✓ Learn directly from experienced Physical Therapists and Physical Therapist Assistants
- ✓ Build a strong foundation and resume for DPT and other graduate school applications
