

LETTER OF RECOMMENDATION GUIDELINES

Please provide a description of the candidate's potential to succeed in the EMBOC research experience for undergraduates program at OIMB. The letter of recommendation should be on official letterhead with a handwritten or e-signature. An application is not considered complete until a recommendation letter is submitted. Please cover the following topics:

- How long have you known the applicant and in what capacity?
- What are the applicant's academic achievements?
- Please describe the aspects of the applicant's character that may help them succeed in this internship program.
- How do you think the applicant will benefit from participation in the OIMB REU program?
- Would the applicant do well in a collaborative research environment?
- What is the applicant's level of interest in marine science?
- Anything else we should know about the applicant?

Please upload a pdf of your letter of recommendation using the link below:
